If you have ever thought of becoming involved in your union, your workplace and your community, the UFCW Labor Organizer program is a great place to start your journey.

Developed to give members the opportunity to strengthen the middle class in Michigan, students of the Labor Organizer program will participate in many hands-on experiences, and emerge more knowledgeable, engaged and ready to make a difference in their communities.

A Labor Organizer Is...

Influential
Respected
Trusted
Good Communicator
Empathetic
Solid Work Record
Leader
Self-Motivated
Knowledgeable
Activist
Advocate

You will have the unique opportunity to learn about organizing campaigns, including the unseen influences that can have a significant impact on its process.

You will learn about the legalities of conducting an organizing cam-

paign, the roll the National Labor Relations Act, the current political and legislative pressures in Lansing, and the communication skills needed to become an effective voice for working America.

By participating in the Labor Organizer program, we can help unite more workers in UFCW, elect pro-worker lawmakers, and bring the same benefits we enjoy to our communities.

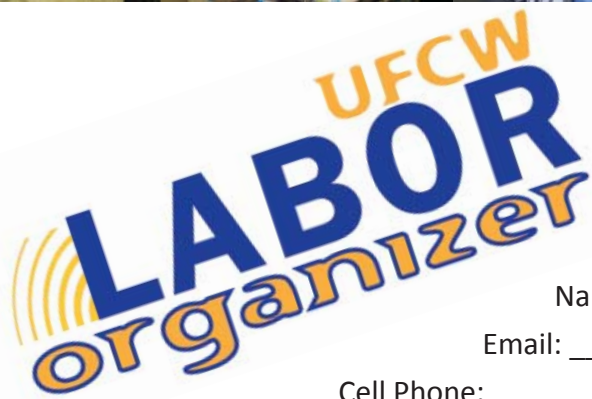

If you think you are a solid candidate for this type of work, and are determined to protect the working standards unions have historically provided, call the UFCW today, or fill out the form on the reverse side to this flyer and mail it to the address at the right.

You are the voice of UFCW - let it be heard.
